#### You Can't Take It With You

July and August of 1969 saw the first Summer Theater in action at Albertus Magnus. An alumni group of the Drama Club, directed by Mr. Locatelli, prepared a production of "You Can't Take It With You." The play was presented the first weekend after our return to school in September, and was enthusiastically applauded by the student body who felt the year was off to a good start.

Hilarious laughter filled the auditorium on Nov. 28, and 29, as members of the faculty literally got "into the act" with the Drama Club for a long to be remembered presentation of Woody Allen's "Don't Drink the Water."

### Varsity Basketball

The Varsity Basketball Team won a greater portion of its games this year. In spite of mishaps throughout the season, The Falcon Spirit triumphed over the injuries incurred. The outstanding characteristic of this team was certainly coordinated effort.

#### J. V. Basketball

This dedicated group of Falcons showed their strength by reeling off 11 victories in their first 11 games. It looks like AM is going to continue having a strong basketball team for several years to come. This team certainly displays outstanding versatility and talents indicative of a solid ball team.

Looking for the ball.

Up, up, and away.

In the 1969 Albertus Magnus Christmas Invitational Tournament, John Hackett was selected to the "Tourney All-Star Team." The other teams who were represented were Coleman Catholic, Nyack, and Pearl River High Schools. Nyack High School defeated AM in an exciting final.

Two of the team's leaders - in a relaxed moment,

AM's Baseball Team provided excitement and enjoyment last year. They played top teams of the county and acquired a good name for themselves. Most of the boys will return this year . . . so the outlook for the team is very good.

John Bosco and Phil Burden are a speedy duo.

Brian Cody keeping in shape.

The season was a promising one for AM's Track Teams and saw the development of many stars who gave great performances on the field. These athletes, by virtue of their competitive spirit and ability, were a threat at every meet. In addition to the long distance runs, the shot putters play an important part in the track meets.

### Sister Anne Roberta, Principal

Every student recognizes in our principal a woman whose efforts have always been directed toward others. Sister Anne Roberta's main concern is for the welfare of the entire student body. We deeply appreciate her thoughtfulness and kindness to us during our four years at Albertus Magnus.

#### Administration

In the administration of their duties, these people have helped to create and encourage an atmosphere of helpfulness and efficiency in Albertus Magnus. Sister Elizabeth McAleavey's task of unifying and working on programs, lends much to the school's smooth functioning in the area of curriculum.

Best of war for the as a mile special of the pass of the service o

And so a year has passed . . . Senior Year . . . a year of "lasts and firsts." The time has been spent awakening to the world around us. Four years of our lives have been shared with one another and this can never be forgotten. The idealism, the spirit, the hope we carried in high school will continue to live in us, if we so choose.

These pages can serve as an inspiration to you . . . the Class of '70 . . . embarking upon a new world. While it is good to look back with pride, it is equally important to look with confidence toward the future. This yearbook was designed as a "collection of memories" to help you reminisce someday about the year sixty-nine to seventy. We have tried our best to gather a little of what the year may have meant to all of you. It is this . . . the Gauntlet of 1970 . . . that we offer to you. Use it to look back and remember !!!

Congratulations to the Class of '70
